MEMBERS BOOKING INFORMATION, 08/11/2024

Some members may recall that this venue was used for the Weekend Away in 2018 and also some 4 or 5 years prior to that. They are recalled as enjoyable weekends with nice ambience and good food at a good centre for exploring Snowdonia (Eryi) and the surrounding area. A nice feature is that the superior lodge rooms in the grounds of the hotel are arranged in a circle each with individual parking, so are particularly suited to our requirements. Information and photos may be found on the hotel website. Response to the Proposal at the Club AGM was positive and a number of members signed, without commitment, that they were interested to participate. The intention of MHVC is that a small team will organise various parts of the weekend, including routes etc.

Discussions with the hotel management have taken place and the following is a summary of proposals which have been endorsed by the MHVC committee.

- 2 nights occupancy on a Bed & Welsh Breakfast and evening Dinner basis.
